TOWN OF SORRENTO, MAINE

1987

Assessor's Notice

In accordance with Title 36, M.R.S.A., Sec. 706, as amended, the Assessors of the Town of Sorrento hereby give notice to all persons liable to taxation in said municipality, that they will be in session at the Town Office in said municipality on the 1st of April, at 7:00 p.m. for the purpose of revising lists of the estates taxable in said municipality.

OWNERS

All persons liable to taxation in the Town of Sorrento, Maine and all Administrators, Executors, Trustees, etc., of all estates taxable in said municipality of such persons are hereby notified to furnish to THE ASSESSORS TRUE AND PERFECT LISTS OF ALL THEIR ESTATES, REAL AND PERSONAL, not by law exempt from taxation, of which they were possessed on the first day of April, 1987, and be prepared to make oath to the truth of the same and to answer all proper inquiries as in writing as to the nature, situation and value of their property liable to be taxed.

ESTATES DISTRIBUTED

And when estates of persons deceased have been distributed during the past year, or have changed hands from any cause, the Executor, Administrator, or other persons interested, are hereby warned to give notice of such change, and in default of such notice will be held under the law to pay the tax assessed although such estate has been wholly distributed and paid over.

PERSONS DOOMED

And any person who neglects to comply with this notice is hereby barred to his right to make application to the ASSESSORS or any appeal therefrom, for any abatement of his taxes, unless he furnishes such list with his application and satisfies them that he was unable to furnish it at the time appointed.

Blank schedules will be furnished at the Assessors' Office on application.

Fire Department

In the past year we have only had a few chimney fires and one brush fire.

I have attended twelve county meetings.

The Department has bought an eight channel radio and five hundred feet of new hose for the new tank truck.

You must have a fire permit for any outside fire at all times.

Frenchman Bay Library

The Frenchman Bay Library serves residents of Sullivan and Sorrento as a free lending library. Residents of other towns pay a small fee of one dollar. The library is open on Tuesdays and Saturdays from 1:00 p.m. to 4:00 p.m. and on Thursdays from mid-June to mid-September at the same hours. Large print books for readers with impaired vision, periodicals and recordings are also available for loan. Talking books will be obtained upon request for those who cannot read.

The library committee (consisting of 25 members) has a variety of fund raising events throughout the year to augment the much appreciated appropriations from the towns of Sullivan and Sorrento. The Cellar Door Thrift Shop which opened in November, 1986 has been our most ambitious fund raising project. The shop is open from 1:00 p.m. to 4:00 p.m. on the first Tuesday and the third Saturday of each month. All proceeds from these projects help defray ever increasing costs and necessary library expenditures.

We are grateful for books and monetary donations received throughout the year, as well as patronage of our fund raising projects.

The committee wishes to thank Edna Robertson, librarian, for her faithful devotion to the library.

Sorrento-Sullivan Recreation Center

The Sorrento Sullivan Recreation Center has enjoyed a very prosperous and rewarding year.

Many repairs and additions to the building have been accomplished. Some of which include; cleaning and refurbishing of the ceiling in the main hall, purchase and installation of a new commercial gas range for the kitchen, along with the replacement of much needed kitchen utensils and equipment, and the installation of an energy saving burner for the heating plant.

Classrooms for Adult Education under the sponsorship of the local school system were made available for upholstering and sign language classes for a token fee. The local chapter of Alchoholics Anonyomous meet regularly at the Center also.

Use of the building also includes space provided for a Blood Drive sponsored by the Hancock Congregational Church, annual Rabies clinic, an annual Childrens Halloween Party - this year sponsored with the local Parent Teachers Club, and a very sucessful New Years Eve dance. The Head Start Program of Hancock County is now into its second year at the Center serving many pre-schoolers of the two towns.

A day camp program this past summer, sponsored and underwritten by the Center, provided educational and recreational programs for many youngsters of the towns of Sorrento, Sullivan, and Franklin. This program was an overwhelming sucess for everyone who participated in it.

The Center anticipates reducing its request to the towns. We will continue at this figure as long as we are able to raise adaquit funds to maintain the Center and provide recreational facilities and programs.

We do ask that you give serious consideration to other proposals for the continuation of the Day Camp Program.

We sincerely thank those who have helped with the donations of time, food, and money. There are so many good people from both towns that have helped. Lastly we thank those residents who serve on the Center's Board of Directors to guide and direct our efforts.

ABOUT THEIR SUMMER RECREATION PROGRAM IN 1986

The Recreation Center undertook to supply recreation for young people last summer. These children live in Sullivan, Franklin and Sorrento. The program ran for eight weeks, was operated at the Middle School, and 141 camper weeks of fun were supplied. Some children attended for more than two weeks. We had 76 boy weeks and 65 girl weeks. Twenty-seven percent (27%) came from Sorrento, thirty-four percent (34%) from Sullivan, and thirty-nine percent (39%) from Franklin. We charged a low fee of five dollars per week to parents and the school department supplied bus service at minimal cost for which we are grateful. Schools should serve the public for more than the school year. In this case that happened.

Looking ahead, the Recreation Center wishes to pursue other recreation projects and to diminish sharply their support of the programs they started last year. We believe it is a proven program for the towns and parents to support. We propose that parents who paid five dollars per week last year pay ten dollars per week this coming summer. Two dollars a day to send a child seems reasonable. Shown below are last year's actual expenses and next summer's budget. Based on last years' attendance from each town, we are asking the three towns to support the new budget. If there is a balance when we close, it will be held in escrow by the Recreation Center to help lower the budget of the following year.

THE SULLIVAN-SORRENTO HISTORICAL SOCIETY

The Sullivan-Sorrento Historical Society resumed its meetings after the winter recess in April of 1986. We had a busy year with many fine programs. In May, the Franklin Historical Society was invited for a meeting at which Michael Zimmerman, author of a book on the Washington County Railroad "The Sunrise Route", spoke. This railroad crossed Tunk Lake Road and Tunk Lake Station is well-remembered by many people.

Our hope for the future is that we can find more room to store and display the many interesting articles which have been donated to the Society by generous people.

The Book Committee is working hard collecting material for the history of Sullivan and Sorrento, which we plan to publish as part of the Bicentennial observance in 1989.

Another project is the annual newsletter, which will be mailed soon.

We would welcome participation in our projects and attendance at our meetings by everybody in our two towns. We would especially encourage young people to become interested in the events which have taken place and the families who have lived in the towns of Sorrento and Sullivan.

We hold our meetings from April through October on the 3rd Wednesday of the month. The first meeting of 1987 will be on April 15, at 7:30 at the Recreation Center.

SORRENTO HARBOR ORDINANCE

1. PURPOSE

The purpose of this ordinance is to establish the rules by which the municipality will keep open convenient channels for the passage of vessels in the harbors and waterways of the Town of Sorrento, and to establish the boundary lines of such channels, and to assign suitable portions of their harbors for anchorages, all in accordance with 38 M.R.S.A. ch. 1; and to provide for the public safety in accordance with 30 M.R.S.A. S 2151.1.A by promoting safe mooring, anchoring and passage of vessels. This ordinance is adopted pursuant to the police power as set forth in 30 M.R.S.A. S 2151, the specific authority granted to municipalities with respect to harbor masters as set forth in 38 M.R.S.A. ch. 1, and the power of municipal home rule as set forth in 30 M.R.S.A. S 1917 and Article VIII-A of the Constitution of the State of Maine.

2. HARBOR MASTER

2.1. The selectmen will appoint a harbor master annually pursuant to 38 M.R.S.A. S 1. The harbor master will take office on April 1 each year. The harbor master will be appointed a constable of the Town of Sorrento. He will have the duties and powers prescribed by law and this ordinance.

2.2 The harbor master may appoint a deputy harbor master to act in case of his absence or disability.

3. HARBOR LIMITS

3.1 Sorrento Harbor Limits: Sorrento Harbor includes all of the body of water between the mainland and Dram Island and the westerly portion of Preble Island. It is bounded on the east by two small islands located between Sorrento Harbor and Eastern of Lower Point Harbor defined below. To the west it is bounded by an imaginary line running from the westerly end of Dram Island bearing approximately North 20° East (magnetic) to the end of Bean Point.

3.2 Eastern or Lower Point Harbor: Eastern or Lower Point Harbor includes all of the body of water between the mainland and the easterly end of Preble Island. Its westerly boundary is the two small islands located between Eastern or Lower Point Harbor and Sorrento harbor defined above. Its easterly boundary is an imaginary line extending from the easterly end of Preble Island on the shortest possible line to the farthest east point of Doane's Point.

4. MOORINGS

4.1 No person shall place a mooring within the harbor limits as described above unless:

- (1) He or she has filed an application for a permit with the harbor master, setting forth such information as shall be requested by the harbor master; and
- (2) The harbor master has issued a written permit to the applicant, stating the location of the mooring; the permitted size, type, and scope

of the mooring; and the size and type of the boat to be moored.

4.2 Any permit issued pursuant to section 4.1 above shall not exceed one year.

4.3 No mooring ropes of a type that float, including but not limited to polypropylene rope, shall be used within the harbor limits.

4.4 The harbor master is empowered to require that any mooring be moved at any time at the owner's expense. Failure to move or remove a mooring at the request of the harbor master will be a violation of this ordinance.

4.5 The harbor master will issue no permit for mooring unless he is satisfied that the information set forth in the application is adequate to ensure that the mooring and vessels attached to it will not become a danger to persons or property.

5. RULES OF HARBOR USE

Vessels shall be operated within harbor limits in a safe and prudent manner. No person shall operate a vessel within the harbor limits in a manner which threatens danger to any person or property, or which causes excessive wash or wake. Without limitation to the foregoing, no person shall operate a vessel in excess of five knots within 100 feet of a vessel at mooring or anchorage.

6. SHORE AND FLATS; DOCKS

6.1 Areas between high and low water lines within the harbor limits shall be kept clear of refuse and abandoned property at all times. The harbor master may, upon reasonable notice to the landowner if readily available, and always consistent with the laws and constitution of the State of Maine and the United States, come onto any land and remove debris, refuse, and abate any nuisance. The Town of Sorrento may recover the costs of removal in any proceeding to seek penalties or equitable relief pursuant to Section 10 below.

6.2 Public docks, piers, floats, and ramps shall be kept clear of all traps, vehicles and all other materials at all times. No boats longer than 10 feet shall be placed on top of the town dock. No boats with outboard or inboard motors and no rowboats longer than 12 feet may be secured to the town dock more than one daylight hour, or between sundown and sunrise.

6.3 The town launching ramp and beach at Sorrento Harbor may not be used to transfer seafood to trucks licensed for more than GVW 6000 pounds. "Seafood" includes, but is not limited to clams, mussels, and lobsters.

6.4 Any watercraft berthed at the town dock, or within the harbor, shall be kept in a safe and presentable condition at all times.

6.5 Motors, generators, bilge pumps, television sets, and radios shall not be used when such operations create a nuisance or unreasonably interfere with the ability of any person to use his or her property.

6.6 Boats shall not be placed on the town beach or town ramp for longer than one hour without permission for temporary placement issued by the harbor master.

6.7 All boat cradles shall be removed from publicly owned harbor areas when not in actual use.

6.8 No person may do repair work on boats at any town owned float or pier without obtaining permission from the harbor master before the work is commenced. The harbor master may withhold permission if he deems that the intended repair work will cause danger to persons or property, or will create a condition prohibited under this ordinance, or will cause public inconvenience.

7. LOCATION OF MOORINGS

The harbor master shall assign mooring sites to applicants in accordance with the following priorities:

1. Shore-front owners requesting locations adjacent to their respective properties shall have first priority;
2. Resident commercial vessel owners shall have second priority;
3. Resident pleasure vessel owners, persons renting property at Sorrento, and persons paying property taxes to the Town of Sorrento shall have third priority;
4. Non-resident pleasure vessel owners shall have fourth priority;
5. Non-resident commercial vessel owners shall have fifth priority.

Notwithstanding the foregoing, the number of non-resident moorings shall always be at least equal to the minimum number of non-resident moorings required under 38 M.R.S.A. S 7 as amended from time to time.

8. FEES

8.1 Each applicant for a mooring at Eastern or Lower Point Harbor shall pay a fee of \$10.

8.2 Persons who reside in Sorrento, or pay property taxes to the Town of Sorrento, shall pay a fee of \$10 for each proposed mooring at Sorrento Harbor. All other persons shall pay \$25 for each mooring location in Sorrento Harbor.

8.3 Persons resident in the Town of Sorrento, persons renting residential property in Sorrento, and persons who are Sorrento tax payers may keep a rowboat or equivalent free of charge at the Sorrento Town

Dock. All other persons must pay a fee of \$10 to the Town of Sorrento for each such boat. There shall be no more than 15 non-residential boats. The fee must be paid before the boat or boats are placed at the dock.

8.4 Fees established by this ordinance may be increased or decreased by the Sorrento Selectmen. All fees accrue to the Town of Sorrento.

9. APPEALS OF DECISIONS OF HARBOR MASTER

Any person may appeal a decision of the Harbor Master to the Board of Selectmen. Any such appeal shall be made within ten days after the date upon which the person is notified of the decision of the harbor master if the notification is verbal or in written form that is personally delivered. If the harbor master's decision is mailed, the person shall have 13 days from the date of mailing to appeal the decision. Appeals shall be in writing and shall state in detail (1) the intended conduct of the appellant; (2) the decision of the harbor master; and (3) a statement setting forth the reasons why the decision of the harbor master is not consistent with this ordinance or with state or federal law. The written appeal shall contain all of the information necessary to enable the selectmen to pass upon the merits of the appeal. The applicant or the harbor master may request a hearing, when he or she will appear in person or with witnesses, and state their case through oral testimony or other evidence. An appeal of the decision of the Selectmen may be taken pursuant to Rule 80B of the Maine Rules of Civil Procedure.

10. PENALTIES

Any person who violates any part of this ordinance shall be liable to the Town of Sorrento for the following penalties

A. The minimum penalty for a specific violation shall be \$25 and the maximum penalty shall be \$2,500. Each day that the violation exists shall be a separate penalty.

B. In addition, the offender shall pay to the Town of Sorrento an amount equal to reasonable attorneys fees, expert witness fees, and other expenses incurred by the Town in the prosecution of any proceeding to enforce the provision of this ordinance, including proceedings in equity to abate any nuisance or other condition in violation of this ordinance.

11. SEVERABILITY

If any part of this ordinance shall be found to be in violation of law, then the remaining parts of this ordinance, not found in violation of law, shall remain in effect.

12. EFFECTIVE DATE

The effective date of this ordinance is 15 days after enactment.

Jan. 6, 1987

Dear Selectmen:

My first semester has been great. I received a 2.94 average and shall be continuing the following semester. I appreciate the scholarship and would like to thank you and the members of the town for supporting me to further my education.

Sincerely,

Timothy Guyette

Board of Selectmen
Town of Sorrento
Sorrento, Maine

We have examined the balance sheet of the Town of Sorrento, Maine as of December 31, 1986 and the related statement of revenues and expenses and changes in surplus for the year then ended. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Our examination has been made primarily for the purpose of formulating an opinion on the basic financial statements taken as a whole. The other data included in the report, although not considered necessary for a fair presentation of the financial position, results of operation or changes in fund balance in conformity with generally accepted accounting principles are presented for supplementary analysis purposes and have been subjected to the audit procedures applied in the examination of the basic financial statements and are in our opinion, fairly stated in all material respects in relation to the basic financial statements taken as a whole.

In our opinion, the aforementioned financial statements present fairly the financial position of the Town of Sorrento, Maine as at December 31, 1986 and the results of its operations and changes in fund balance for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Respectfully submitted,

Dow & Dow PA

Gifford Ewing, 82; described as 'father of space oceanography'

LA JOLLA, Calif. — Gifford Ewing, 82, who has been described as "the father of space oceanography," died Wednesday in his home here.

A graduate of the Scripps Institution of Oceanography at the University of California here, Mr. Ewing had lived in Woods Hole, Mass., and in Sorrento, Maine.

A memorial service will be held at the Scripps Institution in January, and the family will hold a private service in Sorrento next summer.

Mr. Ewing launched the first conference on space oceanography at Woods Hole in 1964, and helped guide the development of satellite and shuttle oceanography.

Paul Scully-Power, an astronaut and oceanographer, called him "the first to have the vision to see that you could do oceanography from space."

Mr. Ewing was born in Yonkers, N.Y., and attended St. Paul's School. He earned his bachelor's degree from Yale University in 1926, and was an oceanographer at Yale's Bingham Laboratory and a member of the 1931-32 Yale Oceanographic Expedition. He earned his doctorate at Scripps in 1950.

Before World War II, he ran a dairy at Armenia, N.Y. He retired from the service as a Navy captain in 1946 after five years in the Pacific.

In the 1960s, he served as chairman of the Navy's antisubmarine warfare infrared committee. He also served on space and science panels and was director of the Oceanographic Fund.

After moving to Woods Hole in 1964, he became a visiting scien-

GIFFORD EWING

tist at the Massachusetts Institute of Technology, and was an associate physical oceanographer and senior scientist at the Woods Hole Oceanographic Institution. He became scientist emeritus in the physical oceanography department at Woods Hole after retiring in 1974.

In 1964, Mr. Ewing was awarded the prestigious Medaille Albert Premier in Paris. He also was given the Prix Manley Bemdall in Monaco.

He leaves his third wife, the former Winifred A. Forgit; two daughters by his first wife, Alexandra Whitney of New York City and Frances Rockwell of Pine Plains, N.Y.; two daughters and a son by his second wife, Jane Ewing of Santa Barbara and Eva Ewing of La Jolla, and Benton N. Jamison of Albany, N.Y.; and a son and two daughters from his third marriage, Laurence D. Ely of Amherst, Mass., and Deborah Singer of Boxborough, Mass., and Sabra Ewing of Vershire, Vt.

MARTHA HALE

In fond memory of Martha Hale

Her smiling face and her friendship will long
be remembered by her many friends.
